HOW TO GET THERE?

By train Ghent is easily accessible from all Belgian and European cities and only half an hour away from Brussels Midi Station. Thanks to the high speed trains, Eurostar and Thalys, Ghent is only two hours away from Paris and less than three hours from London, Amsterdam and Cologne.

By car, Ghent is situated at the intersection of two major European highways: the E17 connects Northern Europe with the Southern countries, and the E40 goes from the North Sea up to Eastern Europe.

By air Ghent is only 45 minutes away from Brussels Airport, which has flights from all over the world operated by more than 140 airlines. The airports of Ostend, Antwerp, Liège and Charleroi serve also several European destinations and have easy and direct connections to Ghent.

STUVO
STUDENT SUPPORT SERVICES

**2045
FUTURE
PROOF?**

WHAT & WHY?

In 1994, for the first time, the Flemish Universities of Applied Sciences and Arts received subsidies for the organization of their student support services. We will celebrate this 25th anniversary in 2020, together with our European partners and reflect on our history.

Together we want to think about our shared future: how do we contribute to a more accessible higher education? How do we achieve higher education for everyone and how do we remove accessibility barriers? How do we increase the well-being of our students? What challenges do we face as student support services in a European context? **What will the student support services look like in 2045?**

WAT & WAAROM?

In 1994 ontvingen de Vlaamse hogescholen voor het eerst subsidies voor de organisatie van studentenvoorzieningen. We vieren in 2020 onze 25e verjaardag samen met onze Europese partners en blikken terug op onze geschiedenis.

Samen willen we nadenken over onze gezamenlijke toekomst: hoe werken we mee aan een toegankelijk hoger onderwijs? Hoe creëren we een hoger onderwijs voor iedereen, hoe nemen we die drempels weg? Hoe verhogen we het welbevinden van onze studenten? Voor welke uitdagingen staan we als studentenvoorzieningen in een Europese context?

Hoe zal de werking van de studentenvoorzieningen eruit zien in 2045?

DENK MEE

En vooral: werk mee! We ontvangen je graag van **3 t/m 6 maart 2020** in het hart van Europa, in het heerlijke Gent.
