**EDU-Home Model**  
Demand / Supply / Intermediation

**EDU-Home Platform**  
Structure / Functions / Governance

**Implementation**

**EU Dissemination**

 **trying to overcome  
barriers in the  
accommodation process**

 **focus on mobility  
students and staff**

 **synergies with  
partners and existing  
projects**

# European Student Card support

## EU European projects

Our main commitment since 2013  
ESC Project, MyAcademicID, EDSSI 1&2

 **Events and activities  
promoting the ESC adoption**

Happy to contribute raising the  
awareness around the ESC benefits

 **Partnerships with stakeholders  
and SSPs**

Helping partners implementing  
solutions on the field

 **Solution development**

Developing our own self-financed  
solutions

**ENDISU** is happy to **join and contribute to ECStA initiatives** that align with our mission

**ESC-tension2** will need support in **validating** the Student Toolbox

**EDU-Home** will need support in **testing** and **fine tuning** the platform

New **Associate Partners** are always welcome in both **ESC-tension2** and **EDU-Home**

**THANK YOU!**
