

TRENDS IN DINING SERVICES
Vegan Meals in Student Restaurants
ECStA Study visit to
Charles University, Prague
March 18-20, 2024
Evaluation

Format

- 2-day program with visit to Charles University and accommodation in university guest house (a bit away), no cultural activities
- Thematic input from Czech Republic, Germany, Belgium, Italy
- ECStA-framework and invitation, with UK guests
- Informal consecutive translation from English to German
- 37 participants (13 DE, 11 BE, 5 IT, 4 CZ, 2 UK, 1 FR)
- €290,- participants fees (including accommodation and meals)

Success factors

- Very good organisation, hospitality and local support
- International exchange, networking, professional inspiration
- Contents of presentations on the thematic focus
- European format

Improvements

- More practical insight into kitchen, production, recipes etc.
- More group work, more direct exchanges (less plenary)
- More vegan food offers (e.g. dinners)
- More background information (such as state subsidies, price systems, staff, customer orientations, research and studies etc.)
- Ideas for Follow-up: database of recipes, cooking workshop in Germany, study visit in Flanders on sustainability

Thank you for your attention!

Note: 22 people took part in the online evaluation (N=22)
